

The United States at War

1. *What was the status of the war in Europe when the US joined the Allied forces in December 1941 (post-Pearl Harbor)?*
2. *What was the status of the war in the Pacific when the US joined the Allied forces in December 1941 (post-Pearl Harbor)?*
3. *Why was America's war strategy "Europe first"?*
4. *Why did Britain and the United States want to invade North Africa first?*
5. *Why were the battles of Midway (Pacific) and Stalingrad (Europe) turning points in the war?*

The Production Front and American Workers

1. *How did America mobilize for the war?*

2. *What was the Manhattan Project?*
3. *Where industries force to turn for workers as close to 16 million men joined the armed forces?*
4. *In an effort to get women into the work force, what measures did the government and industries take?*
