

Political Pressure and the Second New Deal (pg. 720 – 724)

Why did business leaders criticize New Deal policy?

Why did others criticize the New Deal policies for not doing enough?

What was the intended focus of the Second New Deal (post-1936 election)?

What was the Work(s) Progress Administration (WPA)?

What was the Social Security Act?

What were the limitations of the Social Security Act?

Besides FDR being elected in one of the biggest landslide victories, what else was established (accomplished by the Democrats) with the Election of 1936?
